

Monday Mail

November 9, 2009

1. Harmony School of Excellence is dedicated to helping your child succeed in school. Tutoring is available at no cost during the days and times. This service will provide help in Math and Science. Tutorial schedule is effective on Monday, November 9, 2009. Please make necessary arrangements to pick up your child accordingly. We will kindly remind you that this is a mandatory tutorial program. If your child has clubs during tutorial days and times, they cannot attend the clubs. Failure to attend the designated tutorials may result in suspension or other disciplinary action at the discretion of dean of discipline. Parents are responsible for arranging transportation.
2. 2nd six weeks report cards will be mailed starting from Monday.
3. HSE Book Fair will be held between November 30th and December 4th.
Family night dinner: December 1st 5:00p.m. – 7:00 p.m.
Lunch with grandparents: December 3rd during elementary lunch period.
4. The Harmony School of Excellence is participating in a number of Terracycling Brigade Programs. These programs will pay the school for specific items the school recycles. Please check the PTO website to learn about the types of programs that the school is sponsoring and the specific items that HSE is recycling. If you use any of the products at home, work, church, sporting events, etc. please put it in a bag and send it to school with your child to recycle the items. There are two different colored collection bins located in the cafeteria that your child can deposit the items in. All drink pouches can be dropped in the red collection bin and all other recycling items can be dropped off in the yellow collection bin.
5. Please be advised the front office is not responsible for delivering homework, lunch boxes, PE Uniforms, Cell Phones, textbooks, ID Badges and/or any other items to the students during class. Students know to come to the front office to check if anything has been dropped off for them. It is the students responsibility to bring their daily items. If a student is pulled out of class to retrieve their items you drop off they are losing learning time and it disrupts the class. If you would please work with us in this matter we would appreciate it.
6. World's Finest Chocolate Fundraising has been started in our school. You can sell chocolate to support your School. This money has been used to assist schools' activities, trips, and athletic teams. Please contact with Mr. Gorgulu to pick up your chocolate. Thank you for your continuous support to HSE.

In this Wednesday Mail packet you will find the following:
