

Harmony School of Excellence

Monday Mail

September 14, 2009

Dear Parents/Guardians,

1. Re-take day for Lifetouch pictures is Sept. 30th. Anyone who turned in a late order, wants to place an order, was absent or wants to do re-take will be able to do so on that day. Late order forms received, will be used to have your child take their picture that day. **To check whether we have a late order form, please contact Claudette.** Extra order forms will be available at the front office. Questions: contact Claudette Van Ravenstein at cravenstein@harmonytx.org or (713) 983-8668.
2. The wrong contact e-mail was printed last week for the Ghandi Trip on 9/26/09. Please contact Victor Schill at victors47@yahoo.com for more information or reservations.
3. **REMINDER:** This Friday, Sept 18th, 2009 is the last day to drop After School Clubs for a full refund. Drop forms can be picked up at the front office and returned there as well. Questions: contact Claudette Van Ravenstein at cravenstein@harmonytx.org or (713) 983-8668.
4. Open tryouts for National Geographic Bee for grades 4-8 will be on Thursday at 3PM in room 104
5. **Just a quick reminder:** We are providing families with two options of reading the Monday Mail.

Option 1 (Preferred): accepting full responsibility of reading Wed Mail via the internet. Parents agreeing this option accept responsibility for reading the mail online each week. Students will not be responsible for returning weekly signature sheet. Please remember that your child will still receive personalized reports. You may visit the school website at www.hsehouston.org to view the Monday Mail.

Option 2: Parents will purchase a waterproof envelope from the school for \$1.00. This envelope will be used to transport the Monday Mail and Parent Signature Sheet to and from the school. Students will be required the signature sheet to school every Tuesday. Students not returning the signature sheet will receive DPS points.

In this Monday Mail packet you will find the following:
1-1st Progress Report Cards
